

21st Annual
Idyllwild Earth Fair
“There Is No Planet B”

Saturday, May 15
11am to 5 pm

Idyllwild Town Hall - 25925 Cedar Street

We are pleased to offer you an application for exhibitor space at our 21st annual Earth Fair! The Fair will take place in our customary outdoor space among the trees and underneath the billowing parachute at the Town Hall. Festivities include the “All Species Walk”, live entertainment, delicious food, opportunities for activism, and more!

Exhibitor booths should reflect the spirit and theme of Earth Fair, featuring environmental education, sustainable living, recycling, healthy foods, earth friendly products, water conservation, etc. with an emphasis on local and regional solutions. Please plan to be interactive with those attending Earth Fair. Our goal is to balance festivity and education as we celebrate the diversity and abundance of the natural world and learn to care for its optimal survival and preservation.
